UserCode: travcov7

Password: travcov7mogu3321

This account don't need credit card when booking, can book directly.

2. We have implemented cancellations, but not amendments.
3. We will making pending when requestable rooms.
4. Our type of searches support city and hotel name.
5. We will be get following permanent information from Travco database, but now we do not yet implement these
 - a) Hotel Requests - Request list of all valid hotel requests
 - b) All Country Details - Request list of all countries and their cities
 - c) City Details - Request list of all cities or cities in a given country
 - d) Hotel Details Enquiry - Request additional details of a given Hotel
 - e) Hotel Stars Enquiry - Request list of all hotel star ratings
 - f) Hotels in A City - Request list of all hotels in a given City

We will implement upon these request, and download items into our own DB for periodical mapping hotel.

About operation of our site

Step1: Login our site (<http://54.223.61.98:1080/index>)

The screenshot shows the Mogu Travel (蘑菇旅行) website. The top navigation bar includes links for Home, Products & Services, Cooperation Invitation, About Us, and Join Us, along with a 'Login' button. The main banner features the text '蘑菇旅行酒店云SaaS系统' (Mogu Travel Hotel Cloud SaaS System) and '最优价直订全球酒店·瞬间提升经营效益' (Best price direct booking global hotels · Instantly improve operating efficiency), with a '立即登录' (Login Now) button. Below the banner are four service highlights: 'Global hotel inventory', 'Lowest booking price', 'Customized for travel industry', and 'Fast and flexible business support'. The login form on the right is titled '登录' (Login) and contains three input fields: 'AgentCode' (pre-filled with 'travcov7'), 'UserCode' (pre-filled with 'travcov7'), and 'Password' (masked with dots). There are checkboxes for 'Remember company code and username' and a 'Forgot password?' link. A red '登录' (Login) button is at the bottom of the form, with a link for '还没有加入我们? 立即注册' (Not yet joined us? Register immediately) below it. Blue arrows point from the 'Login' button in the top navigation bar to a box labeled 'Login'. Another arrow points from the '立即登录' button in the banner to the same 'Login' box. Three arrows point from the input fields to boxes labeled 'Input AgentCode', 'Input UserCode', and 'Input Password'. A final arrow points from the '登录' button to a box labeled 'Click to login'.

Step 2: Search

The search interface includes the following fields and annotations:

- Guest nationality:** 中国大陆 (Mainland China)
- Destination input:** 巴黎 (Paris). Example: London.
- CheckIn & CheckOut:** 入住日期: 2017-05-03, 退房日期: 2017-05-04. 共 1 晚 (Total 1 night).
- Room Numbers:** 房间数: 2 (Number of rooms).
- Adult number:** 成人: 1 (Number of adults).
- Child number:** 儿童: 2 (Number of children).
- Child age:** 5岁 (5 years old).
- Room type of every room:** 房型要求: 单人间 (Single room). In order is: Any, Single, Double, Twin, Triple, Family, Suit.
- Click to search:** 搜索 (Search button).

Step 3: select a hotel

The hotel selection interface shows the following details for Doubletree by Hilton London - Westminster/威斯敏斯特城市酒店:

- Address:** 30 John Islip Street, London SW1P 4DD, England...
- Rating:** 8.4 非常好 (Very good).
- Room Type:** Double Room - With Breakfastx1间.
- Price:** USD 157.6 (RUB 0.0).
- Click to detail page:** 立即预订 (Book now button).
- Because we map travco test hotel to mogu hotel arbitrary, So red text refer to travco test hotel code:** travcoinfo->citycode:[LON] hotelcode:[YYP]

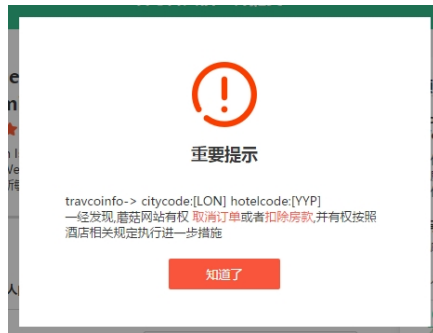

Step 4: detail hotel page

The hotel detail page shows the following information:

- Room Type:** Double Room - With Breakfastx1间.
- Price:** USD 157.6 (RUB 0.0).
