TESTING POLICIES ON LIVE ENVIRONMENT

- Only hotels/properties located in **Test City, Comoros (City ID: 688637)** can be booked. Booking on non-test hotels affects real inventory, and will incur non-refundable cancellation fees. Information of Test Hotels are also available in hotel data file (CSV) and XML Feeds.
- An actual credit card is required to make test bookings on Live Environment.
- Where applicable, please select rooms with free cancellation.
- All bookings should be made for check-in/out dates at least 4 weeks in advance and must be cancelled using Cancellation API within 2 business days after the book date for rooms with free cancellation.
- For rooms where cancellation charges apply, please submit the list of booking IDs to your implementation contact for cancellation with a full refund. Please note that only cancellation fees of the specified test hotel can be waived. Cancellation fees for a non-test hotel cannot be waived.
- Only the maximum of 10 active bookings (bookings not yet cancelled) are allowed. To create more than these the previous ones need to be cancelled first.
